

Hi Members,

As you enjoy your golfing season this year; you will notice a lot of new advertising at different holes and on power carts.

These people have paid good money to advertise at our golf course and to support us financially. I think it is only right that we try to support them in the same manner if possible. If you do so, please tell the owner, manager or employee that you appreciate their support at the golf course.

For those of you that are unable to support financially, a thank you sometimes goes a long way.

In this manner we should be able to retain them in the future and build on this. If we all do a little bit, it will make our golf course more successful.

Many thanks,

Bob Duffey

Director of Marketing
