Subject: Welcome to the 2010 Season

I would like to welcome all members to another wonderful golfing season. Weather conditions are superb and we are predicting an early opening.

Course Superintendent Tom Breau started mowing greens March 30<sup>th</sup>, earliest on record, and reports they are excellent. Please click on Miramichi Golf & Country Club's web site ([www.miramichigolfclub.ca](http://www.miramichigolfclub.ca)) for outstanding photos taken by Tom.

President Greg Savoy and the Board have worked hard this past winter, always looking for ways to improve our operations, and have already saved thousands on heating costs.

Chefs Debbie and Corrine have found exciting ways to improve on their quality menu, after working together for a year, Natalie promises the Office will work smoother than ever.

The retirement of Kathy McKinley, after twenty years of personable and faithful service, will certainly be missed, but the staff will band together to ensure continued prompt and smiling service.

Our Junior Chair, Perley Tozer, has found additional methods to improve the already successful Junior Program, so we will continue to have the best program in New Brunswick.

I look forward to seeing everyone in a few weeks.
